

One of the most joyous days for Habitat families is the home dedication ceremony, where we honor all the donors and volunteers who helped to build, and also welcome the family that will soon make this their forever home.

If you would like to provide a Welcome Home gift for new Habitat homeowners, we've created a list of items that would be ideal for offering a fresh start with some basic supplies. Big or small, the size of the gift is not as important as the gesture of telling the new family that they are welcome in our community. These are suggestions but welcome baskets are not limited to these items. We just ask that home décor items are minimal and neutral in style.

- Dishwashing sponges or dishcloths
- Bottle of dishwashing liquid
- Dish towels
